### Art Reception a success for the MV Medical Center

The Madison Valley Medical Center Foundation board of director's wishes to express its appreciation for a successful artist's reception and exhibition recently held at the El Western Conference Center. The reception was a benefit for the Madison Valley Medical Center.

Victoria Wright chaired the event, assisted by MVMC Foundation board member, Sherry Scott. Anneliese Adams prepared the delicious hor d'oeuvres enjoyed by all attending. Though it was a rather gloomy and rainy night, the atmosphere inside was joyous and one of camaraderie. According to Victoria Wright and the enthusiastic artists, the reception is planned to be an annual event to benefit the Madison Valley Medical Center.

The artists present were Todd Conner, Patsy Eckert, Ken and Penny Hall, Heidi Gildred, Ott Jones, Ed Totten and Larry Zabel. The work of deceased artist, Ted Long, was also for sale.

Although the new facility is open and operational we are still in need of support. Funds raised at the art reception will be used for operations, demolition of the old building site, parking and landscaping.

For more information on the MVMC Foundation and details on how to donate, please call the MVMC Foundation office at (406)682-6641.
