### **MVMC Invites You to be a “Partner”**

Friday, October 30<sup>th</sup> found more than a dozen Madison Valley Medical Center auxiliary and foundation members preparing a mailing to community members from foundation president, Dave Hajny, that went to the post office on Monday, November 2<sup>nd</sup>.

Every year the MVMC Foundation conducts a fundraising drive to benefit our local medical facility. Over the past few years, a good part of the foundations energy has been focused on building a new hospital and clinic to meet the needs of Madison County and adjoining communities. The foundation was successful in raising over \$4 million to cover the cost of construction and furnishings along with the loans obtained for \$6 million.

Money must be raised to secure salaries for doctors and a full-time CEO (MVMC board members have been volunteering their time since June to fill the chief executive officer position at the Medical Center.) Support from the community will be critical in filling these positions.

MVMC Foundation is endeavoring to leverage the momentum generated by successful campaigns waged previous to this year to meet the obligations and fill the gap in financial support outside the dollars generated by patient income. As a non-profit facility we need broad-based community support.

Dottie Fossel, MVMC board chairman and foundation member asks that, “as many people as possible display partner bumper stickers and sign up as Foundation “Partners” at whatever level you feel comfortable.” Fossel went on to say, “With your help, we can continue to provide quality medical care

close to home. A check made out to MVMC Foundation would go a long ways to ensure that.”

For more information, contact the MVMC Foundation Office, PO Box 993, Ennis, MT 59729, or call 682 -6641.
